ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on January 26, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matters requiring attention prior to docketing are identified below:

A review of the Image File Wrapper (IFW) indicates that an Examiner's Answer was mailed on November 15, 2004. On November 23, 2004, the Examiner's Answer was returned as undeliverable. There is nothing in the IFW to reflect that the Examiner's Answer has been re-mailed. According to the PALM

Application 09/772,477

Content Information page, a Correspondence Address Change was filed on June 29, 2005. We are unable to locate a copy of this paper.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

- 1) to locate the missing "Correspondence Address Change" and have a complete copy scanned into the IFW;
- 2) to re-mail the November 15, 2004 Examiner's Answer to the proper address; and
- 3) for such further action as may be appropriate.
